## Amended on April 11, 2011 to add the following conditions:

- 1) A permit for Demolition expires 90 days from the date of issuance and if it is not clearly demonstrated that the permit is being exercised with due diligence a citation will be issued against the property owner.
- 2) Every permit issued shall become invalid unless the work authorized by such permit is commenced within six months after its issuance, or if the work authorized by such permit is suspended or abandoned for a period of six months after the time the worked is commenced. One or more extensions of time, for periods not more than 90 days each, may be allowed for the permit. The extension shall be requested in writing and justifiable cause demonstrated. Extensions shall be in writing by the building official.
- 3) Any person who commences any work on a building, structure, electrical, gas, mechanical or plumbing, etc. before obtaining the necessary permits, shall be subject to a penalty of 100 percent of the usual permit fee in addition to the required permit fees.
