TERMS AND CONDITIONS REFERRED TO AND MADE PART OF THIS CONTRACT

The City of Ellaville, Georgia (hereinafter referred to as the City) agrees to deliver electricity, water and/or sewer to the customer at a point near the customer's property or to provide sewer service at a point to be selected by the City near the customer's property or some of all of these services as the case may be according to the services subscribed for on the reverse side of this contract and hereinafter called "the service".

2. A. The customer will pay for the service at the regular rates now or hereafter established by the City Council of the City of Ellaville.

B. In the case of meter service when the meter fails to register properly the customer agrees to pay for the service based on the average of the preceding month's usage of the service.

C. Upon receipt thereof all bills will be paid by the customer at the City's offices,

3. A. The City will use diligence in providing a regular and uninterrupted service, but shall not be liable in the case of interruptions of service.

B. This contract shall exist until cancelled by the City or the customer. The City shall have the right to discontinue the service without notice for any of the following purposes without causing a termination of this contract:

- a. For repairs;
- b. For want of supply;
- c. For nonpayment of a service bill (see below for terms of payments);
- d. On account of or to prevent fraud;
- e. For the violation by the customer of any provision of this contract.

4. The customer will furnish at his own expense all necessary wiring and piping except meters and meter boxes which shall be furnished by the City. All wiring and piping must conform to the Building Code of the City of Ellaville, Georgia.

5. A. The City shall have the right of access to the customer's premises at all times during this contract and upon its termination for the purpose of reading meters, inspecting and repairing service apparatus, and removing its property for replacement or upon termination of the contract.

B. The City will not be required to examine any concealed wires, or pipes or appliances on the customer's property nor is the City liable for any defect or deterioration of any such wires or pipes or appliances.

6. The City shall have the right to refuse to supply the service and to discontinue the service upon ten (10) days written notice of any defective condition found. The customer will not permit anyone other than authorized employees of the City to interfere or tamper with the City meters and service connections and will further pay the City for all damages to its property located at or upon the customer's premises. No other person or property may be furnished service through the meters installed under this contract.

7. All bills are payable by the 15th at 5:00 p.m. 10% penalty charges after the 15th. NO SECOND NOTICE WILL BE SENT. City will DISCONNECT unpaid bills on the 19th of the month, or the first working day after. DISCONNECT FEES will be \$ 30.00. After 4:00 pm and on weekend/holidays an after hours fee of \$ 60.00 will be charged.
